They will come for the purpose of meeting their old comrades, and going with them once more over the well-remembered camps and battlefields. They will bring their wives and children with them. All the old Commanders who are able will be present. It will be the greatest event in the history of the volunteer soldiery since the close of the war. Everybody who wore the blue will want to come, and also his wife, sons and daughters.

WE WANT TO HELP THEM COME, AND WE WILL MAKE THE FOLLOWING EXTRAORDINARY OFFER:

We will furnish a Round-Trip Ticket, from any of the points named below, to Washington and return-during the National Encampment season-for a club of new subscribers of the number specified.

A PERUVIAN BLOW-GUN.

A New Invention of a Positively Safe Air-Gun for Target Practice.

We have a novelty to offer our subscribers in the hape of a new and absolutely harmless Air-Gun. It is made by the adaptation of the practice among the people of South America of hunting birds and small animals by the use of a Blow-Gun, made of a long reed, through which an arrow is propelled by the breath of the hunter.

It is the invention of an American physician for the purpose of combining sport with healthful exermuscles of the chest in young persons without irksome or painful effort. This Blow-Gun looks like an ordinary rifle of 22 caliber, through which a small dart is propelled at the

target by a sudden puff of air from the lungs. As no spring or powder is used in it, the occurrence of painful accidents in the use of this Gun is impossible. We send with the Gun a Spring Target, so constructed that when a bull's-eye is made by the marksman the image of a dancing darky suddenly flies up behind the Target. We also send with the outfit a Box of Darts for use in the Gun. We send the Gun, Target, and Darts by Express to any subscriber, charges prepaid, for only \$1.00, or we will send it as a Premium for a Club of only Three Subscribers and 30 (thirty) cents to

cover the cost of packing. Blow-Gun Clubs are to be the rage this Spring for out-door sport among young peo-ple. The members of THE NATIONAL TRIBUNE C. C. Club and their friends will not, we

anticipate, be behind the times. The paper one year and the Blow Gun sent for \$2.

WATCHES REDUCED.

to Take Advantage of

Cut Prices.

The Elgin and Waltham Companies have announced this week an important reduction in their most popular grades of Ladies'
Watches. This will be the first announcement of the fact which thousands of jewelers in the country will receive. Many of them will not be very prompt in announcing the Price to sub reduction, on account of its bearing upon stock they are carrying. We take the first opportunity to inform our subscribers of the fact, and to give them a chance to buy watches under it. In our opinion this reduction cannot be permanent, and should the manufacturers again put the price back we must, of necessity, follow suit. We therefore advise prompt action, as we must reserve the right to withdraw the offers at any time without previous notice. We be-lieve, in point of fact, that "rock bottom," so to speak, has been more than reached in
